Foreword

"These are the happiest days of your life." How often high school students hear these words. We cannot deny that these words do hold some truth. We are young and can share the problems of growing up. We are learning to accept responsibility, but we know we are always able to ask for guidance and assistance from our elders. We are also at an age when opportunity is very great. We are receiving a varied education which will always be invaluable to us.

It is very fitting that these happy days at H.H.S. should be preserved in "THE BRAHMA." No matter what part you have played in the events of our school, we, the annual staff, present to you this,

The 1972 BRAHMA

Annual Staff Snaps

Dedication

"MOM ... DAD"

It seems as though it were only a few short years ago when I used to look forward to a bedtime story and a chance to lick the cake bowl. But the years flew by and new things filled my desires ... clothes, the use of the car, dates, and MONEY. Yes, and you, Mom and Dad, were the ones who always shared these things with me. You laughed when I laughed; cried when I cried. You knew and understood that all these things were just a part of my growing stage.

And so, Mom and Dad, I offer this dedication to you to express my appreciation for all the loving memories of your trust, confidence, wisdom, understanding, friendship, and love you have given me through these years. THANK YOU!

Dear Friends:

Every year that passes brings new ideas and exciting adventure to those whose imaginations are alive. Our Brahma Annual Staff and their sponsor have experienced such happenings in the preparation of this annual.

Each year a new school annual is labored over and in the following summer we are all excited to look at ourselves and our classmates. This is worth all of your time and work.

Sincerely,

Today, shoes can make a guy's wardrobe really sing.
Just look at these new Hush Puppies®. Great styling.
Great color. Even if you're just wearing a pair of jeans and a
